Meet Kim Ogg:

An Update on the State of the Harris County District Attorney's Office

DA Ogg emphasizes collaborative efforts between the Harris County District Attorney's Office and local law enforcement to narrow the focus of police and prosecutors alike on the violent offenders who pose the largest danger to the public.

Licensed by the State Bar of Texas in 1987, and recognized as a specialist in Criminal Law by the Board of Legal Specialization since 1992, DA Ogg has a track record of public service and thirty years professional experience to rely on as she works to reform the Harris County criminal justice system.

A native Houstonian, DA Ogg received her law degree from South Texas College of Law Houston in 1986, and her undergraduate degree in Journalism from the University of Texas at Austin.

The purpose of The Professional Group is to provide women of diverse professions with opportunities for building relationships and networks of personal and business associations through informative monthly presentations, professional development programs, educational and social activities, and philanthropic endeavors.

President's Message

Hope

Last month's speaker was Cristina Vetrano, President and CEO of CanCare who has been in her position for just over one year. Cristina said that she wanted to "further the work of an organization that has been dedicated to its mission for 26 years." The mission of CanCare is to improve the quality of life for cancer patients and their families. CanCare connects volunteers who have overcome the disease with patients who are undergoing treatment for a similar type of cancer.

Our table topic centered on the discussion of how cancer has impacted our lives. I think all of us, unfortunately, can say we know a friend or have a family member who has experienced cancer or who is undergoing treatment. Cristina noted that "Support provided by someone who has traveled down this road before and come out triumphant is an essential piece when faced with the emotional challenges of fighting cancer." The volunteers provide hope that a healthy, cancer free future is possible.

The very moving poem below was written by a CanCare volunteer.

Hope is the *compass* that guides when our life goes off course.

Hope is the *anchor* that holds when our health is drifting away.

Hope is the *medicine* that heals when our body is diseased.

Hope is the *power* that strengthens when our muscles become weak.

Hope is the *comfort* that soothes when pain invades our body.

Hope is the *joy* that delights when our heart is full of sadness.

Hope is the *smile* that flashes when we are about to cry.

Hope is the *love* that binds when we receive a hug.

Hope is the *friend* that answers when cancer knocks on the door.

I'm excited about two things in the month of August! First is hearing our District Attorney, Kim Ogg speak at the breakfast meeting on August 1 and second is that August is Restaurant Weeks in Houston. Teresa Doyle and the Networking Committee have put together a wonderful group of restaurants to visit where we can gather round the table and experience a delicious meal with friends while helping Food Banks in Houston. Be sure to register for the breakfast meeting and for one (or all) of the TPG Restaurant Weeks opportunities.

Fun at the Buffalo Bayou Cistern Tour in May

On May 6, 2017 the TPG members and guests met to tour the Buffalo Bayou Cistern Tour with the special Museum of Fine Arts installation of "Rain — Magdalena Fernandez at the Houston Cistern".

The Cistern was built in 1926 as a drinking water reservoir, decommissioned in 2007 and was rediscovered when the Buffalo Bayou Park project was underway. We saw a light show which was projected against the 221 columns holding up the 25 foot ceiling of the Cistern in geometric shapes.

If you have not taken a tour of this unique artifact from Houston's waterworks then we encourage you to do so.

Mentor Matchup

In the spirit of our 2017 mantra "Grow With Us", TPG will begin a Mentor Matchup. One of the benefits of this effort is to foster the ability to mentor, share our skills and learn from each other. Mentor Matchup will be a new column in the newsletter. This column will provide members the opportunity to place their name in the Mentor Matchup site on the newsletter as either a Mentor – sharing skills and abilities or as a Mentee – looking for a special skill or ability.

Please note: It will be up to each Mentee to reach out to the Mentor to express interest in forming a relationship with the Mentor. If you are interested in becoming a Mentor or Mentee, please contact **Claudia Ruggiero, 713-898-7444** or email her at cgwoods@gmail.com and she will add you to this listing. Best of luck to all of our participants!

July Meeting Highlight

The speaker for July was Christina Vetrano, CEO of CanCare. Her story was compelling and touched all attendees.

News from Florida

Hi,

I am starting to really miss our friends and of course TPG which has been part of my life for so many years.

We are staying at my Aunt's vacation home in an area called Sun City Center. We think this is the area we want to live in, but finding a house is a bit challenging. We will find a place I am sure, we have only been here less than a month, and the first week was getting organized.

Unfortunately my husband Steve is having hernia surgery on Aug. 3, he will have a 6 week recovery. Lifting all those boxes did him in. I also have to requalify for my certification the following week,

so I am studying and working on my assignments now. I am sure things will all work out.

This is the rainy season here, so the birds flock on the golf course at the back of my Aunt's house.

Best Regards,

Jane Brennom
